Attendance

Please remember to call the main office or the attendance line (765) 269-8275 to report a student's absence. The TSC Attendance Policy requires each student to be present in class 90% of the class enrollment days.

Parent Notes and Doctor's Notes

If a student's dismissal plan changes for the day please call the school or send a note with your child. Please send a note as well if your child is staying after school for a special activity.

If your child misses school or comes in late to school due to a doctor's appointment, please bring a note from the doctor's office verifying the student was there. Absences will be counted unexcused until a doctor's note is received.

Hull's Highlights

Students always amaze me at how well they adjust to school schedules and routines so quickly. This year is no exception! The kids are doing a great job!!

Mr. Sweet and I have begun our classroom visits. Each of us takes time to meet with all students in each class so they have an opportunity to learn more about us other than our roles as principal and assistant principal. I always enjoy hearing their responses when I ask them what they think I do during the school day when they are in class!!

The Woodland Family Picnic and Movie Night will be next Friday evening at Woodland Elementary School. We are anticipating a great turnout for hamburgers, cheeseburgers, and hotdogs followed by a showing of the movie, "Sing" in the school gymnasium. We do need your yellow order form returned with your payment by Wednesday, September 13. Also, if you are able to donate your time during this event or possibly bring a grill to be used to prepare the hotdogs and hamburgers, it would be appreciated. We hope to see many of you there!

The Lifeskills for the next two weeks are *perseverance and organization*.

Sweet's Stop

It is hard to believe we are already in the month of September! The students have done a great job learning the school expectations and policies. It has been impressive to watch them grow in such a short amount of time!!!

Since the Kindergarten students are becoming more aware of lunchroom procedures, it is time for them to begin typing in their lunch codes in the lunchroom. We began with one class this week and will add classes as the weeks continue. Thank you for your help at home helping them learn these numbers that will follow them each year.

Life Skills are important for students and staff at Woodland Elementary. Five staff members were highlighted this week for showing these life skills!!! Congratulations to the following staff members. Anne Peters and Jordan Arnold (Title teachers) were recognized for the life skills **Organization**. They worked hard to plan, schedule and implement intervention schedules for the entire school. Sara Frank (Paraprofessional), Krissy Eikenberg (Special Education Teacher), and Laura Buhning (ELL Tutor) were recognized for the life skill **Flexibility**. All three altered plans and changed roles to start the school year to better the students at Woodland Elementary! All of these individuals are great examples to our students showing that life skills are always important!!!
